The Mayor, (all Districts)

The District Executive Administrators (all)

Dear Madam / Sir,

RE: National Integrated Assessment Schedule and Examination centers

Reference is made to the Presidential Order No 121/01 of 15/01/2020 establishing the National Examination and School Inspection Authority-NESA, stipulating that among the responsibilities, NESA has to prepare, conduct, and mark national examinations.

The national integrated assessment is among the National Exams for Technical Secondary School (TSS) Level 5 candidates. During these examinations, registered candidates are given practical tasks to be performed and the evaluation shall be done in the planned time by the established teams of Assessors.

The 2023/2024 National Integrated Assessment is scheduled for June 18th to 28th, 2024, and will be conducted in 203 Schools selected as practical examination centers across the country, and there is a need for District involvement to ensure its smooth conduct.

It is with this background that I would like to share with you the Schedule for the 2023/2024 National Integrated Assessment, together with the list of approved examination centers for your close monitoring and follow-up.

Sincerely,

Dr. Bernard BAHATI
